**DISPOSITION: APPLICATION GRANTED**

NOTE: By issuing this order, the Commission makes no endorsement or certification regarding Applicant's rates or service.

**INTRODUCTION**

On March 1, 2002, the Commission certified Sempra Energy Solutions as an electricity service supplier (ESS or ES). See, Order 02-133. On November 24, 2006, Sempra Energy Solutions LLC (Sempra) filed a material change form with the Commission asking that it be granted scheduling ESS certification. This change was requested due to Sempra Energy Solutions conversion from a California corporation to a California limited liability company (LLC). The conversion to an LLC also resulted in a name change to Sempra Energy Solutions LLC. Sempra made this conversion under Title 1, Chapter 11.5 and Title 2.5, Chapter 11.5 of the California Corporate Code.

The Commission usually serves notice of an application by electronic mail to the Commission's ES application electronic mail list. As Sempra Energy Solutions was previously certified as a scheduling ESS, we waived our usual notice procedures.

Based on the application and the Commission's records, the Commission makes the following:

**FINDINGS OF FACT**

The Applicant, Sempra Energy Solutions LLC, is a California Limited Liability Corporation. Applicant intends to provide electricity to nonresidential retail consumers in Oregon. Applicant seeks certification as a scheduling ES under OAR 860-038-0400 and ORS 757.649.

## **OPINION**

An ESS must be certified as either a scheduling or nonscheduling ESS as prescribed in OAR 860-038-0410.

Applicant must comply with all other provisions as set forth in OAR 860-038-0400 including an attestation that Applicant will comply with all applicable laws, rules, Commission orders, and electric company tariffs.

## **CONCLUSIONS**
