**DISPOSITION: PROPOSED BUDGET FOR ISSUE  
FUND GRANT APPROVED**

On May 24, 2007, the Industrial Customers of Northwest Utilities (ICNU) filed a proposed budget for an Issue Fund Grant in this proceeding. ICNU's proposed budget is in the amount of \$56,800.

The Intervenor Funding Agreement (IFA), approved by the Commission in Order No. 03-388, provides that precertified intervenors must submit a proposed issue fund budget to the Commission that contains, at a minimum, the following information:

- 1) A statement of the work to be performed;
- 2) A description of the areas to be investigated;
- 3) A description of the particular customer class(es) that will benefit from the intervenor's participation;
- 4) Identification of the specific fund accounts from which the intervenor is seeking monies; and
- 5) A budget showing estimated attorney, consultant and expert witness fees, which may include the cost for appropriate support staff and operations support.

Once a proposed budget is received, we decide whether Issue Fund Grants are available for use, based on factors identified in the agreement. We have the authority to accept, deny or partially deny the request, and may place reasonable conditions on the grant.

ICNU became precertified on August 21, 2003, in Order No. 03-502. ICNU's proposed budget includes the requisite information and reflects the current schedule adopted in this docket.

In light of the issues being addressed, the complexity of the issues and the significant policy decisions to be made, we believe that ICNU's proposed budget is reasonable and should be approved.

**ORDER**

IT IS ORDERED that the Industrial Customers of Northwest Utilities' proposed budget for an Issue Fund Grant is granted. The budget is approved up to \$56,800.

Made, entered, and effective JUN 05 2007.
