ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On February 9, 2005, the Commission granted a certificate of authority to DelTel Inc. (DelTel) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 05-092. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that DelTel failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the July 10, 2007, public meeting, the Commission determined that DelTel's certificate of authority should be canceled. DelTel's certificate of authority was canceled in Order No. 07-298.

On July 13, 2007, DelTel filed a request to suspend Order No. 07-298, stating it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that DelTel filed the requested information. On July 24, 2007, the company notified the Commission that it had filed the delinquent report and requested Order No. 07-298 be removed from its record. The report was filed four months in arrears. Therefore, the request to have Commission Order No. 07-298 removed from the record is denied.

The information sent by DelTel to the Commission was late. However, the information has been received and it indicates DelTel is providing telecommunications service in Oregon. Under the circumstances, the cancellation of DelTel's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 07-298 canceling the certificate of authority of DelTel Inc. is rescinded.

Made, entered, and effective AUG 22 2007.
