**DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED**

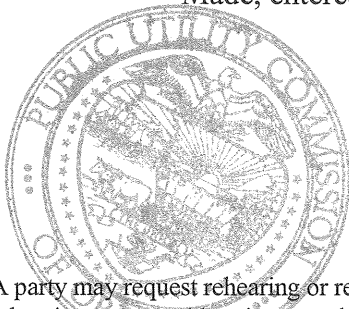

On July 22, 2005, Acceris Management and Acquisition LLC (Acceris) was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. See Order No. 05-865.

In a letter dated August 15, 2007, Christine Gronewald, Regulatory and Compliance Manager for Acceris, informed the Commission that Acceris ceased to provide services to customers in Oregon on March 1, 2007, and is not intending now, or in the future to provide telecommunications services in Oregon. The company is reminded that because it had a certificate of authority in Oregon for one or more days in 2007, it is required to file a revenue fee statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Acceris Management and Acquisition LLC should be cancelled.

IT IS ORDERED that the certificate of authority held by Acceris Management and Acquisition LLC is cancelled.

Made, entered, and effective AUG 21 2007.
