**DISPOSITION: CANCELLATION ORDER RESCINDED**

On March 13, 2001, the Commission granted a certificate of authority to Total Call International Inc. (Total Call) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 01-226.

Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Total Call failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the January 20, 2004, public meeting, the Commission determined that Total Call's certificate of authority should be canceled. Total Call's certificate of authority was canceled in Order No. 04-079. On March 31, 2004, Total Call filed a request to suspend Order No. 04-079, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Total Call filed the requested information on May 14, 2004.

Again, after investigation, the Commission found that Total Call failed to file the 2<sup>nd</sup> Quarter 2007 OUS2 form to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the December 4, 2007, public meeting, the Commission determined that Total Call's certificate of authority should be canceled. Total Call's certificate of authority was canceled in Order No. 07-536. On January 22, 2008, Total Call filed a request to suspend Order No. 07-536, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Total Call filed the requested information.

The information sent by Total Call to the Commission was late. However, the information has been received and it indicates Total Call is providing

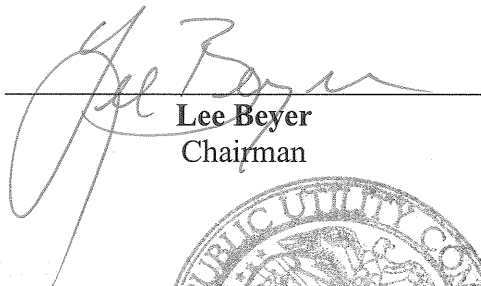

telecommunications service in Oregon. Under the circumstances, the cancellation of Total Call's certificate should be rescinded.

The Commission notes that this is the second time that Total Call has sought reinstatement following the cancellation of its authority. Under these circumstances, the Commission emphasizes the need for Total Call to fully comply with the Commission's rules and regulations in the future. If Total Call again fails to fulfill its regulatory obligations, the Commission may conclude that it is not in the public interest to process a future application for recertification as a competitive provider.

**ORDER**

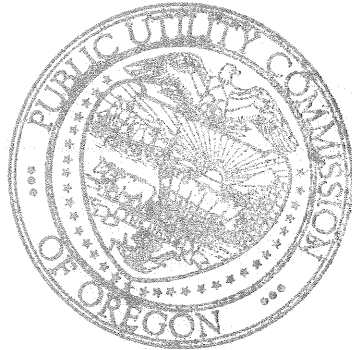

IT IS ORDERED that Order No. 07-536 canceling the certificate of authority of Total Call International Inc., is rescinded.
