DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED

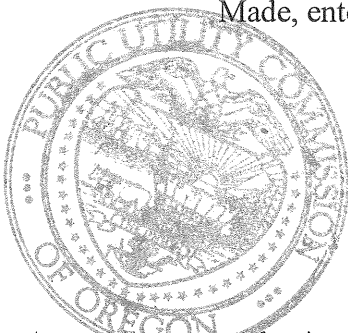

On January 16, 2004, Computer Network Technology Corporation (CNTC) was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. See Order No. 04-030.

In a letter dated February 6, 2008, Edward S. Quill, Jr., Attorney for Computer Network Technology Corporation, requested that the certificate of authority for CNTC be cancelled. The company has no telecommunications services in Oregon. The company is reminded that because it had a certificate of authority in Oregon for one or more days in 2008, it is required to file an annual fee statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Computer Network Technology Corporation should be cancelled.

IT IS ORDERED that the certificate of authority held by Computer Network Technology Corporation is cancelled.
