Authority to Provide Telecommunications)
Service in Oregon and Classification as a)
Competitive Telecommunications Provider)

ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On October 10, 2003, the Commission granted a certificate of authority to Utility Telephone Inc. (“Utility”) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 03-604. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Utility failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the December 4, 2007, public meeting, the Commission determined that Utility’s certificate of authority should be canceled. Utility’s certificate of authority was canceled in Order No. 07-535.

On January 22, 2008, Utility filed a request to suspend Order No. 07-535, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Utility filed the requested information.

The information sent by Utility to the Commission was late. However, the information has been received and it indicates Utility is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Utility’s certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 07-535 canceling the certificate of authority of Utility Telephone Inc. is rescinded.

Made, entered, and effective FEB 22 2008.
