DISPOSITION: DOCKET CLOSED

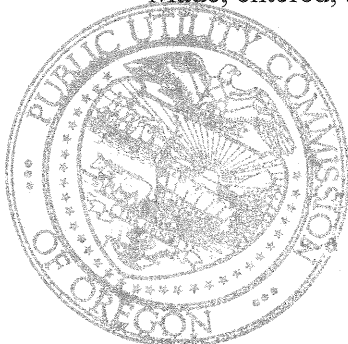

On December 12, 2007, Portland General Electric Company (PGE) filed an application for authorization to defer its 2008 *Annual* Direct Access Enrollment Costs/Benefits (Docket UM 1359). On January 17, 2008, PGE filed an Application for Reauthorization to Defer 2008 *Quarterly* Direct Access Open Enrollments Costs/Benefits (Docket UM 1301). PGE received approval of the 2007 reauthorization request in UM 1301 through Order No. 08-153. Staff recommended that PGE withdraw its docket UM 1359 filing because Staff believes those costs/benefits associated with the November window are appropriately treated under the provisions of the UM 1301 deferral.

PGE agrees with Staff that the costs/benefits associated with the November window are appropriately treated in the UM 1301 deferral and hereby withdraws its December 12, 2007, filing in UM 1359. PGE requests that the docket be closed.
