NETWORK PTS INC.)

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED

On January 16, 2004, Network PTS Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. See Order No. 04-026.

In a letter dated April 15, 2008, Monique Byrnes, Consultant to Network PTS Inc., informed the Commission that the company's certificate of authority should be cancelled. Network PTS Inc. has no customers in Oregon and has ceased its operation in the state. The company is reminded that because it had a certificate of authority for one or more days in 2008, it is required to file a revenue fee statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Network PTS Inc. should be cancelled.

IT IS ORDERED that the certificate of authority held by Network PTS Inc. is cancelled.

Made, entered, and effective APR 18 2008.
