ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On September 30, 1999, the Commission granted a certificate of authority to New Edge Network Inc. (New Edge) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 99-602. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that New Edge failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the April 8, 2008, public meeting, the Commission determined that New Edge's certificate of authority should be canceled. New Edge's certificate of authority was canceled in Order No. 08-222.

On May 1, 2008, New Edge filed a request to suspend Order No. 08-222, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that New Edge filed the requested information.

The information sent by New Edge to the Commission was late. However, the information has been received and it indicates New Edge is providing telecommunications service in Oregon. Under the circumstances, the cancellation of New Edge's certificate should be rescinded.

ORDER

IT IS ORDERED that Order No. 08-222 canceling the certificate of authority of New Edge Network Inc. is rescinded.

Made, entered, and effective JUN 09 2008.
