DISPOSITION: ISSUE FUND GRANT REQUEST APPROVED

On June 11, 2008, the Industrial Customers of Northwest Utilities (ICNU) filed with the Public Utility Commission of Oregon (Commission) a request for final payment from the Issue Fund of Portland General Electric Company (PGE) in the amount of \$18,041.96. Section 7.3 of the Intervenor Funding Agreement (Agreement), adopted by the Commission in Order No. 03-388, governs the procedures for payment of Issue Fund Grants.¹

On December 5, 2007, ICNU submitted a proposed budget of \$26,000, assuming a fully litigated case. The Commission approved ICNU's proposed budget in Order No. 07-577.

ICNU now seeks payment of its costs in this case in the amount of \$18,041.96 from the PGE Issue Fund. ICNU states that this is its final request for payment of issue funds for this case and that the remainder of the budgeted funds may be released to the PGE Issue Fund. Under Section 7.3 of the Agreement, the Request for Payment must:

- 1) Itemize the expenses, payees and hourly rates of amount to be reimbursed;
- 2) Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget; and
- 3) Provide information sufficient to show that the intervenor has complied with any conditions imposed on the Issue Fund Grant.

The Agreement provides that the Commission shall make a determination in each proceeding as to how the participating utilities are to recover the funding grants from the various customer classes. Pursuant to Section 7.7(b), Issue Fund Grants should be

allocated so as to fairly align the costs of the advocacy with the intended potential beneficiaries of the advocacy.

We find that ICNU has met the requirements of the Agreement, and its request should be approved. We have considered the intended beneficiaries, and find that the issue fund expenditures should be allocated to PGE's industrial customers. Section 7.2 of the Agreement provides that the utility shall pay the Issue Fund Grant to the requesting intervenor within 30 days after receipt of Commission directive. The balance of the approved budget should be made available to the PGE Issue Funds.

ORDER

IT IS ORDERED that:

1. The Industrial Customers of Northwest Utilities has met the requirements of the Intervenor Funding Agreement, and its request is approved.
2. Portland General Electric Company shall pay \$18,041.96 from the Portland General Electric Company Issue Fund to the Industrial Customers of Northwest Utilities within 30 days after receipt of this Order, and the grant shall be assessed to Portland General Electric Company's industrial customers.
