Application for a Certificate of Authority)	
to Provide Telecommunications Service in)	
Oregon and Classification as a Competitive)	
Provider.)	

DISPOSITION: CANCELLATION ORDER RESCINDED

On December 14, 1998, the Commission granted a certificate of authority to Global Crossing Local Services Inc. (Global Crossing Local) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-522.

Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Global Crossing Local failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the October 9, 2007, public meeting, the Commission determined that Global Crossing Local's certificate of authority should be canceled. Global Crossing Local's certificate of authority was canceled in Order No. 07-460. On November 7, 2007, Global Crossing Local filed a request to suspend Order No. 07-460, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Global Crossing Local filed the requested information. Global Crossing's certificate of authority was reinstated in Order No. 07-504.

Again, after investigation, the Commission found that Global Crossing Local failed to file revenue fees for 2007 as required by ORS 756.310. At the May 6, 2008, public meeting, the Commission determined that Global Crossing Local's certificate of authority should be canceled. Global Crossing Local's certificate of authority was canceled in Order No. 08-270. On June 5, 2008, Global Crossing Local filed a request to suspend Order No. 08-270, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Global Crossing Local filed the requested information.

The information sent by Global Crossing Local to the Commission was late. However, the information has been received and it indicates Global Crossing Local is

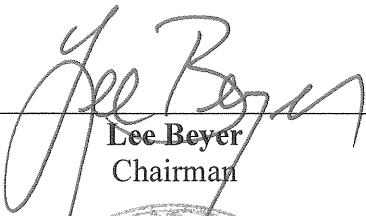

providing telecommunications service in Oregon. Under the circumstances, the cancellation of Global Crossing Local's certificate should be rescinded.

The Commission notes that this is the second time that Global Crossing Local has sought reinstatement following the cancellation of its authority. Under these circumstances, the Commission emphasizes the need for Global Crossing Local to fully comply with the Commission's rules and regulations in the future. If Global Crossing Local again fails to fulfill its regulatory obligations, the Commission may conclude that it is not in the public interest to process a future application for recertification as a competitive provider.

ORDER

IT IS ORDERED that Order No. 08-270 canceling the certificate of authority of Global Crossing Local Services Inc., is rescinded.

Made, entered, and effective JUL 07 2008.
