STAFF RECOMMENDATION:

Staff recommends the Commission approve the new negotiated interconnection agreement listed below.

- (ii) the implementation of such agreement, or portion thereof, is not consistent with the public interest, convenience, and necessity. See Section 252(e)(2).

An interconnection agreement or amendment thereto has no effect or force until approved by a state commission. See 47 U.S.C. Sections 252 (a) and (e). Accordingly, the effective date of any submitted agreement or amendment will be the date the

Commission approves it, and any provision stating that the parties' agreement or amendment is effective prior to that date is not enforceable.

Staff has reviewed the following agreement submitted for Commission approval:

Staff recommends approval of the agreement. Staff finds that the agreement does not discriminate against non-party telecommunications carriers and does not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, Staff concludes that there is no basis under the Act to reject the agreement.

PROPOSED COMMISSION MOTION:

The new interconnection agreement listed above be approved.
