

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1357 (12)

In the Matter of

INDUSTRIAL CUSTOMERS OF  
NORTHWEST UTILITIES

ORDER

Request for Intervenor Funding.

**DISPOSITION: MATCHING GRANT REQUEST APPROVED**

On March 25, 2009, the Industrial Customers of Northwest Utilities (ICNU) filed with the Public Utility Commission of Oregon (Commission) a Request for Payment of a Preauthorized Matching Grant. Section 7.2 of the Intervenor Funding Agreement (IFA), which the Commission adopted in Order No. 03-388 and extended as restated and amended in Order No. 07-564, provides that the Commission will grant such a request if the intervenor satisfies the requirements under the terms of the Agreement.

ICNU asks for \$57,500 from the PacifiCorp dba Pacific Power (Pacific Power) 2008 Preauthorized Matching Fund Account. Funds from Pacific Power's Preauthorized Matching Fund Account are available for use exclusively by ICNU. Section 7.2 of the IFA, governs the procedures for payment of Matching Grants. To be eligible to receive intervenor funding under the IFA, an intervenor must become either precertified under section 5.2 of the IFA or case certified under section 5.3 of the IFA. ICNU was precertified to receive intervenor funding grants in Order No. 03-502.

Under the terms of the Section 7.2 of the IFA, ICNU must establish that it has "used in-house resources or outside funding for at least 50% of the Eligible Expenses for an Eligible Proceeding." ICNU provided such documentation in its request.

Section 7.7 of the IFA provides that the Commission shall make a determination in each proceeding as to how the participating utilities are to recover the funding grants from the various customer classes. Pursuant to Section 7.7(b), the "Preauthorized Matching Grants shall be allocated and charged to industrial customers."

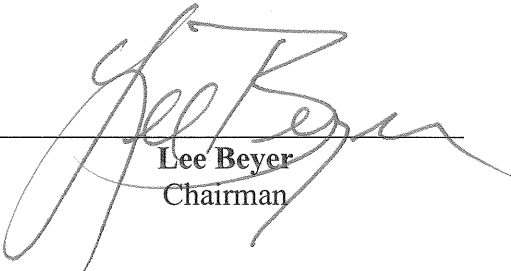

We find that ICNU has met the requirements of the IFA, and its request should be approved. Section 7.2 of the IFA provides that the utility shall pay the Preauthorized Matching Grant to the requesting intervenor within 30 days after receipt of Commission directive.

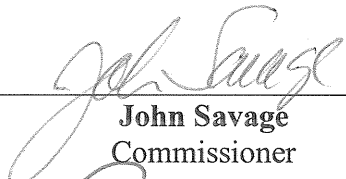

**ORDER**

IT IS ORDERED that:

1. The Industrial Customers of Northwest Utilities has met the requirements of the Intervenor Funding Agreement, and its request is approved.
2. PacifiCorp dba Pacific Power (Pacific Power) shall pay \$57,500 from the Pacific Power 2008 Preauthorized Matching Fund to the Industrial Customers of Northwest Utilities within 30 days after receipt of this Order, and the grant shall be assessed to the industrial customers of Pacific Power.

Made, entered, and effective APR 02 2009.
