OF OREGON**

UE 177(1)

In the Matter of

PACIFICORP, dba PACIFIC POWER

SB 408 Tax Report for Calendar Year 2007

ERRATA ORDER

**DISPOSITION: ORDER NO. 09-127 CORRECTED**

On May 18, 2009, the Staff of the Public Utility Commission of Oregon (Commission) filed a letter identifying a calculation error in Order No. 09-127, entered April 10, 2009. In that order, we adopted a stipulation between PacifiCorp, dba Pacific Power (Pacific Power) and Staff that authorizes Pacific Power to surcharge customers for additional tax liability. The surcharge, required under the terms of Senate Bill 408 and codified at ORS 757.268, includes amounts for federal, state, and local taxes, plus interest. In ordering paragraph 2 to Order No. 09-127, we identified that amount not to exceed \$20,250,000.

Staff notes that the correct surcharge amount is actually \$20,318,361. Staff explains that, under the terms of the stipulation, the federal and state taxes, including interest, total \$20,145,436. *See* Stipulation, Appendix A at 3 (Feb 5, 2009). Moreover, Staff adds, local taxes, plus interest, total \$172,925. *See* Appendix A at 6. Together, these two figures yield \$20,318,361.

Staff's request is well taken. Order No. 09-127 should be corrected to remedy this error.

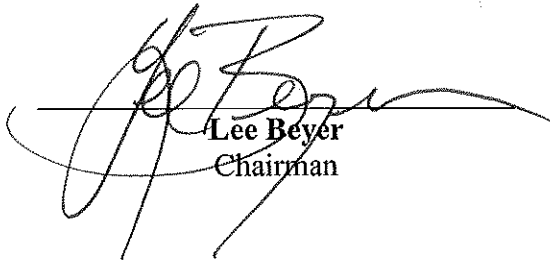

**ORDER**

IT IS ORDERED that paragraph 2 of section IV of Order No. 09-127 is corrected to read:

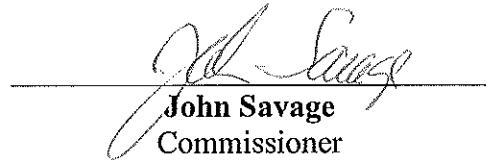

2. PacifiCorp, dba Pacific Power, may amortize a surcharge in an amount not to exceed \$20,318,361 over a one-year period through its Schedules 102 and 103. Interest will accrue on the unamortized balance as set forth in the Stipulation.

The remainder of Order No. 09-127 is unchanged.
