DISPOSITION: DOCKET CLOSED

On February 19, 2009, PacifiCorp, dba Pacific Power, notified the Commission of its intent to withdraw its Amended Request for Acknowledgement of Final Shortlist of Bidders in its 2012 Request for Proposals and asked that this docket be closed. On March 3, 2009, I issued a ruling notifying all parties that this docket would be closed following the submission of the final report by the Independent Evaluator (IE).

The IE has issued its final report, and Pacific Power has had an opportunity to file comments on that report. Accordingly, this docket is closed.

Dated at Salem, Oregon, this 17th day of June, 2009.
