ORDER

DISPOSITION: EXTENSION OF TIME GRANTED

In Order No. 09-132, issued April 14, 2009, the Commission approved the sale of utility property to DWF Round Lake Park & Utilities LLC (Round Lake) with certain conditions. One condition required Round Lake to file a rate application within 90 days of the order.

On July 20, 2009, Round Lake filed a request for an extension of time to file the rate application. On July 29, 2009, the Commission Staff filed a response supporting the request for an extension, and proposed that January 15, 2010, be established as the new application due date.

Round Lake's request for an extension is granted. Order No. 09-132 is modified to provide January 15, 2010, as the due date for the required rate filing. The remainder of the order is unchanged.
