ERRATA ORDER

Application for Approval to Sell the Grants
Pass Former Computer Center Located in
Grants Pass, Oregon.

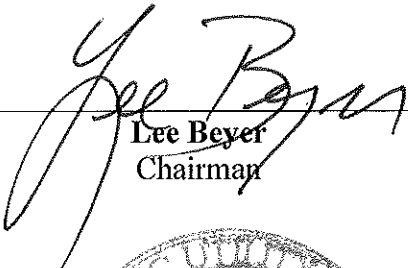

DISPOSITION: ORDER NO. 09-339 CORRECTED

At its August 25, 2009, public meeting, the Public Utility Commission of Oregon (Commission) approved the application of Avista Corporation, dba Avista Utilities (Avista), filed on July 31, 2009, to sell the Grants Pass former computer center located in Grants Pass, Oregon. See Order No. 09-339. Order No. 09-339 should be corrected to reflect that the properties referenced in conditions numbered 1 and 3 in the ordering paragraph and in conditions numbered 1 and 3 in the Staff Report attached to the order as Appendix A are "gas properties" instead of "electric properties."

ORDER

IT IS ORDERED that the references to "electric properties" stated in conditions numbered 1 and 3 in the ordering paragraph of Order No. 09-339 and in the conditions numbered 1 and 3 in the Staff Report attached as Appendix A to the order are corrected to be "gas properties." The remainder of the order is unchanged.

Made, entered, and effective SEP 08 2009.
