COMPANY

Application for deferral of incremental  
costs and funds associated with Smart Grid  
Investment Grant Projects.

ORDER

**DISPOSITION: APPLICATION WITHDRAWN; DOCKET CLOSED**

On September 4, 2009, Portland General Electric Company (PGE) filed an Application for Deferral of Incremental Costs and Funds Associated with Smart Grid Investment Grant Projects with the Public Utility Commission of Oregon (Commission). The Commission docketed the filing as UM 1450.

On September 18, 2009, PGE filed Advice No. 09-19, which would have established an automatic adjustment clause to track potential Smart Grid Investment Grants.

PGE recently received notice from the U.S. Department of Energy that its application for Smart Grid Investment Grant funding was denied. Subsequently, PGE withdrew Advice No. 09-19, and now requests that the associated deferral docket, UM 1450 be closed.

**ORDER**

IT IS ORDERED that Docket UM 1450 is closed.

Made, entered, and effective on NOV 09 2009.
