DISPOSITION: CANCELLATION ORDER RESCINDED

On October 10, 2003, the Commission granted a certificate of authority to Dial Long Distance Inc. (Dial LD) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 03-603.

Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Dial LD failed to comply with Oregon Universal Service Fund (OUS) requirements per ORS 759.425. At the December 23, 2008, public meeting, the Commission determined that Dial LD's certificate of authority should be canceled. Dial LD's certificate of authority was canceled in Order No. 08-610. On February 20, 2009, Dial LD filed a request to suspend Order No. 08-610, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Dial LD filed the requested information. Dial LD's certificate of authority was reinstated in Order No. 09-080.

Again, after investigation, the Commission found that Dial LD failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the October 6, 2009, public meeting, the Commission determined that Dial LD's certificate of authority should be canceled. Dial LD's certificate of authority was canceled in Order No. 09-437. On December 7, 2009, Dial LD filed a request to suspend Order No. 09-437, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Dial LD filed the requested information.

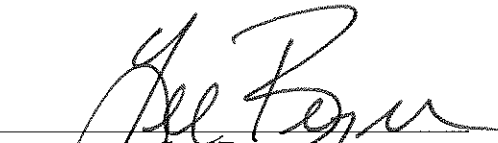

The information sent by Dial LD to the Commission was late. However, the information has been received and it indicates Dial LD is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Dial LD's certificate should be rescinded.

The Commission notes that this is the second time that Dial LD has sought reinstatement following the cancellation of its authority. Under these circumstances, the Commission emphasizes the need for Dial LD to fully comply with the Commission's rules and regulations in the future. If Dial LD again fails to fulfill its regulatory obligations, the Commission may conclude that it is not in the public interest to process a future application for recertification as a competitive provider.

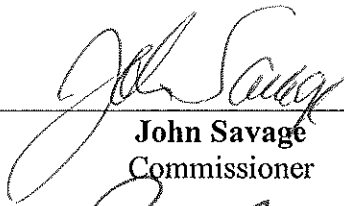

ORDER

IT IS ORDERED that Order No. 09-437 canceling the certificate of authority of Dial Long Distance Inc. is rescinded.
