On August 12, 2009, the Public Utility Commission of Oregon (Commission) entered Order No. 09-313, asserting jurisdiction over the Government Camp Water Company (the Company). The Commission also directed the Company to file the appropriate tariffs within 60 days of the date of the order, or no later than October 12, 2009.

Further, the Company stated that a meeting with Staff will be held in the near future to review the application for completeness.
