Competitive Telecommunications Provider )

ORDER

**DISPOSITION: CANCELATION ORDER RESCINDED**

On March 22, 2005, the Commission granted a certificate of authority to Newpath Networks LLC (Newpath) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 05-143. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Newpath failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the January 19, 2010, public meeting, the Commission determined that Newpath's certificate of authority should be canceled. Newpath's certificate of authority was canceled in Order No. 10-033.

On February 16, 2010, Newpath filed a request to suspend Order No. 10-033, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that Newpath filed the requested information.

The information sent by Newpath to the Commission was late. However, the information has been received and it indicates Newpath is providing telecommunications service in Oregon. Under the circumstances, the cancellation of Newpath's certificate should be rescinded.

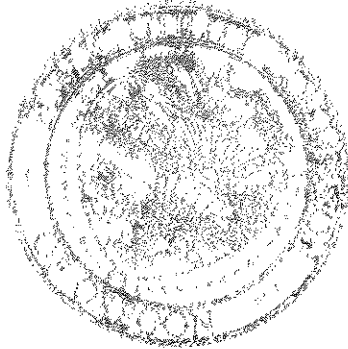

**ORDER**

IT IS ORDERED that Order No. 10-033 canceling the certificate of authority of Newpath Networks LLC is rescinded.

Made, entered, and effective MAR 11 2010.
