ORDER

DISPOSITION: CANCELATION ORDER RESCINDED

On June 11, 2008, the Commission granted a certificate of authority to Gorge Ventures Inc. (GVI) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 08-320. Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that GVI failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the January 19, 2010, public meeting, the Commission determined that GVI's certificate of authority should be canceled. GVI's certificate of authority was canceled in Order No. 10-040.

On March 11, 2010, GVI filed a request to suspend Order No. 10-040, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that GVI filed the requested information.

The information sent by GVI to the Commission was late. However, the information has been received and it indicates GVI is providing telecommunications service in Oregon. Under the circumstances, the cancelation of GVI's certificate should be rescinded.

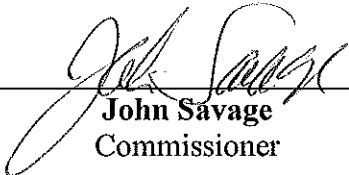

ORDER

IT IS ORDERED that Order No. 10-040 canceling the certificate of authority of Gorge Ventures Inc. is rescinded.

Made, entered, and effective MAR 29 2010.
