ORDER

DISPOSITION: CANCELLATION ORDER RESCINDED

On August 28, 2007, the Commission granted a certificate of authority to STi Prepaid LLC (STi) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 07-381.

Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that STi failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the May 6, 2008, public meeting, the Commission determined that STi's certificate of authority should be canceled. STi's certificate of authority was canceled in Order No. 08-276. On June 6, 2008, STi filed a request to suspend Order No. 08-276, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that STi filed the requested information. STi's certificate of authority was reinstated in Order No. 08-356.

Again, after investigation, the Commission found that STi failed to comply with Oregon Universal Service Fund requirements per ORS 759.425. At the January 19, 2010, public meeting, the Commission determined that STi's certificate of authority should be canceled. STi's certificate of authority was canceled in Order No. 10-035. On February 16, 2010, STi filed a request to suspend Order No. 10-035, claiming that it had complied with the Commission's rules and regulations. A review of the Commission's records indicates that STi filed the requested information.

The information sent by STi to the Commission was late. However, the information has been received and it indicates STi is providing telecommunications service in Oregon. Under the circumstances, the cancelation of STi's certificate should be rescinded.

The Commission notes that this is the second time that STi has sought reinstatement following the cancelation of its authority. Under these circumstances, the Commission emphasizes the need for STi to fully comply with the Commission's rules and regulations in the future. If STi again fails to fulfill its regulatory obligations, the Commission may conclude that it is not in the public interest to process a future application for recertification as a competitive provider.

ORDER

IT IS ORDERED that Order No. 10-035 canceling the certificate of authority of STi Prepaid LLC, is rescinded.
