**DISPOSITION: CERTIFICATES OF AUTHORITY CANCELED**

On March 13, 1998, MVX Communications LLC was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-096 docket CP 425. On January 20, 1999, MVX Communications LLC was granted an additional certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 99-020, docket CP 549. The company later changed its name to Quantumshift Communications Inc. (Quantumshift).

Quantumshift Communications Inc. failed to pay 4<sup>th</sup> Quarter 2009 Oregon Universal Service Fund (OUSF) fees as required per ORS 759.425 and OAR 860-032-0620.

ORS 756.515(4) provides that the Commission may, after investigation, but without hearing, make such findings and orders as deemed justified by the results of the investigation. In view of the foregoing, the Commission determined at its June 22, 2010, Public Meeting that the certificate holder has failed to comply with Commission rules and terms of the certificate. The certificate of authority to provide telecommunications service should be canceled, per OAR 860-032-0008(2). The company is reminded that because it had certificates of authority for one or more days during 2010, it is required to file an annual fee statement and pay a minimum of \$100 for that year.

The Commission expects all companies to comply with the requirements of certification, including submitting all reports and payments on time. The Commission notes that this is the second time that the company's certificate of authority has been canceled. Should the company request reconsideration of this order or apply for new authority, it must fully comply with all Commission rules. Any future application or request for reconsideration must include as applicable:

1. An explanation of why the company was unable to comply with the Commission rules;
2. A detailed plan of action, including specific measures the company has put in place to prevent future noncompliance and the name and contact information of the responsible party;

3. Proof of payment of all outstanding revenue fees, including late payment fees, owed for each calendar year of operation pursuant to ORS 756.310(6)(a), in accordance with Commission requirements;
4. Proof of compliance with Oregon Universal Service Fund requirements pursuant to ORS 759.425 and OAR 860-032-0610 through 860-032-0660. All OUSF reports, contributions, late payment penalties, interest and late statement fees are due and owing for all quarters of operation, regardless of whether the telecommunications service provider held a certificate for the applicable period(s), and;
5. Proof of filing of any outstanding annual reports per OAR 860-032-0060.

If the certificate holder fails to include these items with its reconsideration request or application, the Commission will deem it incomplete and return it.

IT IS ORDERED that the certificates of authority held by Quantumshift Communications Inc. are canceled.

Made, entered, and effective JUL 26 2010.
