

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

CP 1439

In the Matter of the Cancellation of the )  
Certificate of Authority Held by ) ORDER  
TELECARE, INC. )

**DISPOSITION: CERTIFICATE OF AUTHORITY CANCELLED**

On January 28, 2009, Telecare, Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. See Order No. 09-028.

The company failed to pay its annual fees for 2009 as required by ORS 756.310. On April 6, 2010, the Commission notified the certificate holder that the required fees were not received.

ORS 756.515(4) provides that the Commission may, after investigation, but without hearing, make such findings and orders as deemed justified by the results of the investigation. In view of the foregoing, the Commission determined at its July 27, 2010, Public Meeting that the certificate holder has failed to comply with Commission rules and terms of the certificate. The certificate of authority to provide telecommunications service should be cancelled, per OAR 860-032-0008(2). The company is reminded that because it had a certificate of authority for one or more days during 2010, it is required to file an annual fee statement and pay a minimum of \$100 for that year.

This is the third time the company has had its certificate of authority cancelled due to failure to comply with Commission rules. The Commission expects all companies to comply with the requirements of certification, including submitting all reports and payments on time. Should the company request reconsideration of this order or apply for a new certificate, it must fully comply with all Commission rules. Any future application or request for reconsideration must include as applicable:

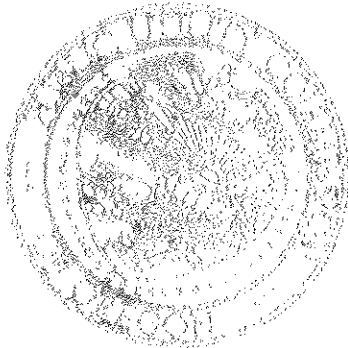

1. An explanation of why the company was unable to comply with the Commission rules;
2. An explanation of why the previously submitted corrective plan failed to prevent compliance;
3. A statement of why it is in the public interest for the Commission to reconsider or grant new authority given the company has repeatedly failed to comply with Commission rules;

4. Proof of payment of all outstanding revenue fees, including late payment fees, owed for each calendar year of operation pursuant to ORS 756.310(4)(a), in accordance with Commission requirements;
5. Proof of compliance with Oregon Universal Service Fund requirements pursuant to ORS 759.425; and
6. Proof of filing of any outstanding annual reports pursuant to OAR 860-032-0060.

Additionally, the company may be required to appear before the Commission. If the certificate holder fails to include these items with its application, the Commission will deem the application incomplete and return it.

IT IS ORDERED that the certificate of authority held by Telecare, Inc. is cancelled.

Made, entered, and effective AUG 11 2010.
