**DISPOSITION: CANCELLATION ORDER RESCINDED**

On March 13, 1998, the Commission granted a certificate of authority to MVX Communications LLC to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 98-096 in docket CP 425. On January 20, 1999, MVX Communications LLC was granted an additional certificate of authority to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 99-020, docket CP 549. The company later changed its name to Quantumshift Communications Inc. (Quantumshift).

Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Quantumshift failed to comply with Oregon Universal Service Fund requirements per ORS 759.425 and OAR 860-032-0620 for the 4<sup>th</sup> Quarter 2009. At the June 22, 2010, public meeting, the Commission determined that Quantumshift's certificate of authority should be cancelled. Quantumshift's certificate of authority was cancelled in Order No. 10-282. On September 2, 2010, Quantumshift filed a comprehensive plan of action and included a request to suspend Order No. 10-282, claiming that it had complied with the Commission's rules and regulations. The company provided proof of compliance with the letter requesting reconsideration.

Quantumshift has a previous cancellation of authority. The certificates of authority for both dockets were cancelled at the April 19, 2005, public meeting for failure to file the 4<sup>th</sup> Quarter 2004 OUS 2 Universal Service Fund quarterly reports. *See* Order Nos. 05-246 and 05-247, respectively. On May 27, 2005, Quantumshift filed a request to reconsider Order Nos. 05-246 and 05-247. A review of the Commission's records indicated that Quantumshift filed the requested information and Order Nos. 05-786 and 05-787 were entered on June 17, 2005, reinstating Quantumshift's certificate of authority.

The Commission expects all companies to comply with the requirements of certification, including submitting all reports and payments on time. The Commission notes that this is the second time that the company's certificate of authority has been cancelled and rescinded. Should the company request reconsideration of this order or apply for new authority, it must fully comply with all Commission rules. Any future application or request for reconsideration must include as applicable:

1. An explanation of why the company was unable to comply with the Commission rules;
2. A detailed plan of action, including specific measures the company has put in place to prevent future noncompliance and the name and contact information of the responsible party;
3. Proof of payment of all outstanding revenue fees, including late payment fees, owed for each calendar year of operation pursuant to ORS 756.310(6)(a), in accordance with Commission requirements;
4. Proof of compliance with Oregon Universal Service Fund requirements pursuant to ORS 759.425; and
5. Proof of filing of any annual reports outstanding pursuant to OAR 860-032-0060.
