

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1499

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY

ORDER

Petition for a Waiver of Competitive
Bidding Guidelines, and Application for
an Accounting Order.

DISPOSITION: PETITION/APPLICATION WITHDRAWN; DOCKET
CLOSED

On September 2, 2010, Portland General Electric Company (PGE) filed this petition for a waiver of competitive bidding guidelines and application for an accounting order, both regarding a "time limited" opportunity to acquire a certain wind generating project. PGE requested an expedited schedule so that the Commission could make its decision before the end of this year.

On September 20, 2010, the Public Utility Commission of Oregon held a prehearing conference in this matter and set a hearing for November 18, 2010. The adopted schedule provided for a Commission decision by December 15, 2010.

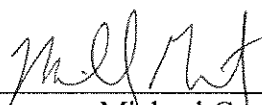

By letter dated September 29, 2010, PGE reported that it had determined that it was unlikely that it would be able to complete the transaction within the specified timeline. Accordingly, PGE withdrew its petition and related application and requested that this docket be closed.

ORDER

IT IS ORDERED that this matter is dismissed. The docket is closed.

Made, entered, and effective on OCT 12 2010.
