

ORDER NO.

11 018

ENTERED

JAN 13 2011

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UW 143

In the Matter of

PELICAN BAY HEIGHTS WATER  
SYSTEM LLC,

Proposed Tariff for Water Service, Advice  
No. 10-17, and  
Request for a General Rate Revision.

ORDER

**DISPOSITION: TARIFF SHEETS FURTHER SUSPENDED**

On July 2, 2010, PELICAN BAY HEIGHTS WATER SYSTEM LLC, filed tariff sheets in Advice No. 10-17 to be effective August 9, 2010. The filing seeks a general increase in customer rates.

At its public meeting on July 27, 2010, the Public Utility Commission of Oregon (Commission) found good and sufficient cause exists to investigate the propriety and reasonableness of the tariff sheets pursuant to ORS 757.210 and 757.215. The Commission ordered suspension of Advice No. 10-17 for a period of time not to exceed six months from August 9, 2010.

ORS 757.215(1) authorizes the Commission to suspend a rate filing for a period not to exceed nine months. The statute contemplates that the maximum suspension would occur in two steps—an initial six-month suspension followed by a second three-month suspension if necessary. We conclude that the second three-month suspension is necessary is to investigate this general rate proceeding.

IT IS ORDERED that Advice No. 10-17 filed by PELICAN BAY HEIGHTS WATER SYSTEM LLC, is suspended for a period of time not to exceed three months from February 9, 2011, the effective date of the tariff sheets.

Made, entered, and effective JAN 13 2011.
