DISPOSITION: ORDER NO. 12-026 WITHDRAWN

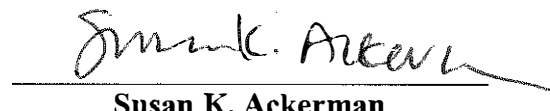

On January 30, 2012, we issued Order No. 12-026 further suspending Advice No. 11-011 filed by PacifiCorp, dba Pacific Power. We did so under the assumption that Advice No. 11-011 was a tariff filing under ORS 757.210. It is not. As we previously noted, ORS 757.210 does not apply to the review and approval of rates paid by utilities to qualifying facilities under the Public Utility Regulatory Policies Act (PURPA). See Order No. 09-427 at 3. Consequently, our order further suspending Advice No. 11-011 was in error, and is withdrawn.

IT IS ORDERED that Order No. 12-026 is withdrawn.

Made, entered, and effective FEB 01 2012.
