

ORDER NO. 13 233  
ENTERED JUN 20 2013

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

CP 1524

In the Matter of

LEGACY LONG DISTANCE  
INTERNATIONAL, INC.

Application for a Certificate of Authority  
to Provide Telecommunications Service in  
Oregon and Classification as a Competitive  
Provider.

ORDER

**DISPOSITION: CANCELLATION ORDER RESCINDED**

On March 6, 2012, the Commission granted a certificate of authority to Legacy Long Distance International, Inc. (Legacy) to provide telecommunications service in Oregon as a competitive provider. *See* Order No. 12-071. Legacy had a previous certificate of authority, Docket CP 570, Order No. 99-012, which was canceled and reconsideration was not requested. *See* Order No. 11-301.

Oregon telecommunications providers are required to provide requested information to the Commission. After investigation, the Commission found that Legacy failed to submit the 3<sup>rd</sup> Quarter 2012 \$100 late statement fee to comply with Oregon Universal Service Fund requirements per ORS 759.425 and OAR 860-032-0620. The responsibility to respond to Commission requests for information or comply with any Commission rule is clearly stated at the time a certificate is granted to a competitive provider. Failure to comply with this obligation may result in the company's certificate of authority being canceled. If a certificate of authority is canceled, a company has the statutory right to request reconsideration.

At the March 12, 2013, public meeting, the Commission determined that Legacy's certificate of authority should be canceled. Legacy's certificate of authority was cancelled in Order No. 13-110. On May 23, 2013, Legacy filed a plan of action and included a request to suspend Order No. 13-110, claiming that it had complied with the Commission's rules and regulations.

The Commission reminds the company that the granting of a certificate places responsibility on the company to fully comply with Commission rules. The company must undertake a plan to prevent the certificate being canceled again. If Legacy again fails to fulfill its regulatory obligations and the certificate is canceled, the Commission may conclude that it is not in the public interest to process a future application for recertification as a competitive provider.

The Commission expects all companies to comply with the requirements of certification, including submitting all reports and payments on time. The Commission notes that this is the second time that the company's certificate of authority has been canceled and rescinded. Should the company request reconsideration of this order or apply for new authority, it must fully comply with all Commission rules. Any future application or request for reconsideration must include as applicable:

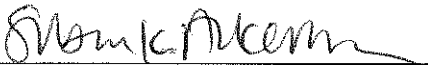

1. An explanation of why the company was unable to comply with the Commission rules;
2. A detailed plan of action, including specific measures the company has put in place to prevent future noncompliance and the name and contact information of the responsible party;
3. Proof of payment of all outstanding revenue fees, including late payment fees, owed for each calendar year of operation pursuant to ORS 756.310(a), in accordance with Commission requirements;
4. Proof of compliance with Oregon Universal Service Fund requirements pursuant to ORS 759.425; and
5. Proof of filing of any outstanding annual reports pursuant to OAR 860-032-0060.

In view of the foregoing, Order No. 13-110, canceling the certificate of authority for Legacy Long Distance International, Inc. should be rescinded.

**ORDER**

IT IS ORDERED that Order No. 13-110 canceling the certificate of authority of Legacy Long Distance International, Inc. is rescinded.
