OF OREGON

UM 1572

In the Matter of

KOOTENAI ELECTRIC COOPERATIVE,  
INC.,

Complainant,

v.

IDAHO POWER COMPANY,

Defendant.

ORDER

DISPOSITION: APPLICATION FOR RECONSIDERATION GRANTED

On April 29, 2013, Kootenai Electric Cooperative, Inc. (Kootenai) filed an application for reconsideration of our Order No. 13-062, issued on February 26, 2013. In that order, we denied Kootenai's request that we require Idaho Power Company (Idaho Power) to enter into an Oregon Power Purchase Agreement (PPA) under the Public Utility Regulatory Policies Act (PURPA).

On April 17, 2013, Kootenai filed a petition for a declaratory order and petition for enforcement of PURPA with the Federal Energy Regulation Commission (FERC), requesting that FERC enforce Kootenai's right to an Oregon PPA. On June 14, 2013, FERC issued a declaratory order addressing Kootenai's petition.

We grant Kootenai's application for reconsideration. We will issue an order addressing the application for reconsideration after reviewing Kootenai's petition to FERC, as well as FERC's declaratory order and any subsequent proceedings.
