In the Matter of

SHADY COVE WATERWORKS, LLC,

Exclusive Service Territory Application.

ORDER

DISPOSITION: APPLICATION DISMISSED; DOCKET CLOSED

Shady Cove Waterworks, LLC (Shady Cove) filed its application for an exclusive service territory designation on August 2, 2011. The City of Shady Cove (City) intervened in the proceeding and requested a hearing.

A prehearing conference was held on November 21, 2011, and a schedule adopted. On January 26, 2012, the Commission Staff filed a motion to modify the schedule to allow the parties more time to discuss possible settlement. Staff's motion was granted on January 27, 2012.

On February 24, 2012, Shady Cove filed a motion asking that the schedule be vacated. Shady Cove's motion was granted on February 28, 2012.

There have been no further proceedings in this docket.

In a ruling dated June 12, 2013, the Administrative Law Judge ordered the parties to show cause why this matter should not be dismissed. The only response came from the City, which indicated that it supports the dismissal of the application.

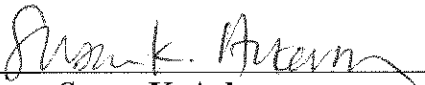

Accordingly, this matter should be dismissed.
