SUBJECT: OREGON PUBLIC UTILITY COMMISSION STAFF: Request to approve Negotiated Interconnection Agreements and Amendments submitted pursuant to Section 252(e) of the Telecommunications Act of 1996.

**STAFF RECOMMENDATION:**

Staff recommends the Commission approve the new amendment to the previously approved interconnection agreement listed below, with the amendment to be considered legally enforceable on the date of Commission approval.

**DISCUSSION:**

47 U.S.C. Sections 252(a) and (e) (hereafter "Section 252") require that any negotiated interconnection agreement, including amendments to an existing agreement, be submitted to a state commission for approval. Under the Act, the Commission must approve or reject such agreements within 90 days of filing. The Commission may reject an agreement only if it finds that:

(i) the agreement, or portion thereof, discriminates against a telecommunications carrier not a party to the agreement; or

(ii) the implementation of such agreement, or portion thereof, is not consistent with the public interest, convenience, and necessity. See Section 252(e)(2).

An interconnection agreement or amendment thereto is not legally enforceable until approved by a state commission. See Sections 252 (a) and (e). Accordingly, although the contracting parties may state in the agreement that each will abide by the agreement prior to its approval by the Commission, the legally enforceable date under Section 252 of any submitted agreement or amendment is the date the Commission approves it.

Staff has reviewed the following new amendment to a previously approved agreement submitted for Commission approval:

<b>Docket</b>	<b>Parties to the Amendment or Agreement</b>
ARB 363(1)	Cellco Partnership dba Verizon Wireless and United Telephone Company of the Northwest dba CenturyLink

Staff recommends approval of the amendment. Staff finds that the amendment does not discriminate against non-party telecommunications carriers and does not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, Staff concludes that there is no basis under the Act to reject the amendment.

**PROPOSED COMMISSION MOTION:**

The new amendment to the previously approved agreement listed above be approved.
