#### STAFF RECOMMENDATION:

Staff recommends the Commission approve the new negotiated interconnection agreements and amendments to previously approved interconnection agreements listed below, with the agreements and the amendments to be considered legally enforceable on the date of Commission approval.

#### **DISCUSSION:**

47 U.S.C. Sections 252(a) and (e) (Section 252) require that any negotiated interconnection agreement, including amendments to an existing agreement, be submitted to a state commission for approval. Under the Act, the Commission must approve or reject such agreements within 90 days of filing. The Commission may reject an agreement only if it finds that:

(i) the agreement, or portion thereof, discriminates against a telecommunications carrier not a party to the agreement; or

(ii) the implementation of such agreement, or portion thereof, is not consistent with the public interest, convenience, and necessity. See Section 252(e)(2).

ARB Agreements September 9, 2013 Page 2

An interconnection agreement or amendment thereto is not legally enforceable until approved by a state commission. See Sections 252 (a) and (e). Accordingly, although the contracting parties may state in the agreement that each will abide by the agreement prior to its approval by the Commission, the legally enforceable date under Section 252 of any submitted agreement or amendment is the date the Commission approves it.

Staff has reviewed the following new agreements and amendments to previously approved agreements submitted for Commission approval:

Docket Parties to the Amendment or Agreement ARB 175(5) tw telecom of oregon IIc and Frontier Communications Northwest, Inc. Zayo Bandwidth Northwest, Inc. and Qwest Corporation dba ARB 513(6) CenturyLink QC Cellco Partnership dba Verizon Wireless f/k/a RCC Holdings, ARB 523(1) Inc. and United Telephone of the Northwest dba CenturyLink ARB 527A(9) Teleport Communications America, LLC f/k/a TCG Oregon and Qwest Corporation dba CenturyLink QC Axxis Communications Inc. and United Telephone of the ARB 965(1) Northwest dba CenturyLink 365 Wireless, LLC and Qwest Corporation dba CenturyLink QC ARB 1039 365 Wireless, LLC and Qwest Corporation dba CenturyLink QC ARB 1039(1) ARB 1040 Business Coverage Centre, LLC and Qwest Corporation dba CenturyLink QC ARB 1043 Group Six Communications, LLC and CenturyTel of Oregon, Inc. dba CenturyLink

Staff recommends approval of the agreements and the amendments. Staff finds that the agreements and the amendments do not discriminate against non-party telecommunications carriers and do not appear to be inconsistent with the public interest, convenience, and necessity. Accordingly, Staff concludes that there is no basis under the Act to reject the agreements or the amendments.
