SUBJECT: PORTLAND GENERAL ELECTRIC: (Docket No. UM 1631) Request
waiver of OAR 860-027-0005 and 860-027-0015.

STAFF RECOMMENDATION:

Staff recommends the Commission approve Portland General Electric's (PGE) request to waive the first day of November Budget of Expenditures Report filing date in OAR 860-027-0005 and the December 31 New Construction Report filing date in OAR 860-027-0015.

DISCUSSION:

Budget of Expenditures Report

On October 29, 2013, PGE filed a request for a three and a half month extension of the filing date for its Budget of Expenditure Report. OAR 860-027-0005 states "Each energy utility operating within Oregon and having gross operating revenues of \$50,000 or more per annum is required to file with the Commission on or before the first day of November of each year, a copy of its proposed Budget of Expenditures, on forms approved by the Commission."

New Construction Budget Report

In addition, PGE is requesting a one and a half month extension of the filing date for its New Construction Budget Report. OAR 860-027-0015 states "Each energy utility operating within Oregon is required to file annually on or before December 31 on forms approved by the Commission information on new construction, extensions, and additions to the utility's property."

Both the Budget of Expenditures Report and the New Construction Budget Report are based on PGE's annual capital budget that is approved by the Board of Directors during its mid-January meeting of the budget year.

Staff has no concerns granting PGE's waiver request such that the Company files its 2014 Budget of Expenditures and 2014 New Construction Budget by February 15, 2014. While the extension for the 2014 Budget of Expenditures should have been approved prior to November 1, 2013, Staff has been in direct contact with the utility on this matter. In addition, approving this waiver request will not impact PGE or its customers.

PROPOSED COMMISSION MOTION:

PGE's request for a waiver of OAR 860-027-0005 and 860-027-0015 be granted.
