standard contracts to determine whether the terms comply with PURPA and state requirements.²

ANALYSIS

On April 16, 2015, the Commission issued Order No. 15-130 adopting a stipulation filed in its Investigation into QF Contracting and Pricing (Docket UM 1610). This Order requires several changes to the terms of standard PPAs that are available to QFs, and directs PGE, PacifiCorp, and Idaho Power to make filings to implement the stipulation.

Idaho Power filed revised PPAs and a revised Schedule 85 in accordance with the Order on December 22, 2015. Staff reviewed each update in Schedule 85 and the four standard PPAs and verified that they meet the requirements contained in Order No. 15-130.

PROPOSED COMMISSION MOTION:

Idaho Power's Compliance Filing to Update Schedule 85, Cogeneration and Small Power Production Standard Contract Rates, and Revise Standard Energy Sales Agreements, filed on December 22, 2015, in compliance with Order No. 15-130, be allowed to go into effect on February 1, 2016.
