**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

ES 19

In the Matter of Avangrid Renewables, LLC  
Application to be certified as an Electricity  
Service Supplier.

ORDER

DISPOSITION: APPLICATION GRANTED

NOTE: By issuing this order, the Commission makes no endorsement or certification regarding Applicant's rates or service.

**INTRODUCTION**

On January 24, 2013, the Commission certified Iberdrola Renewables, LLC as an electricity service supplier (ESS or ES). See, Order 13-017. On March 21, 2016, Avangrid Renewables, LLC filed a material change form with the Commission asking that it be granted scheduling ESS certification. This change was requested due to Iberdrola Renewables, LLC changing its legal name to Avangrid Renewables, LLC on February 12, 2016. This name change occurred to more closely align Avangrid Renewables, LLC with its newly formed and publicly traded U.S. holding company, AVANGRID, INC.

The Commission usually serves notice of an application by electronic mail to the Commission's ES application electronic mail list. As Iberdrola Renewables, LLC was previously certified, we waived our usual notice procedures.

Based on the application and the Commission's records, the Commission makes the following:
