

ORDER NO. 16 202

ENTERED MAY 26 2016

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

ES 22

In the Matter of the Application of EDF
Energy Services, LLC for authority to
certified as an Electricity Service Supplier
in Oregon.

ORDER

DISPOSITION: APPLICATION GRANTED

NOTE: By issuing this order, the Commission makes no endorsement or certification regarding Applicant's rates or service.

INTRODUCTION

On May 2, 2016, EDF Energy Services, LLC (Applicant) filed an application with the Commission (we) pursuant to OAR 860-038-0380. Applicant seeks authority to be certified as a scheduling electricity service supplier (ESS or ES) in Oregon.

On May 3, 2016, we served notice of the application by electronic mail to the Commission's ES application electronic mail list. We did not receive any protests.

Based on the application and the Commission's records, we make the following findings of fact, applications of law, and conclusions.

FINDINGS OF FACT

The Applicant, EDF Energy Services, LLC, is a Delaware limited liability company and a subsidiary of EDF Trading North America, LLC, a Texas limited liability company. Applicant intends to provide electricity service to nonresidential retail consumers in Oregon. Applicant is seeking certification as a scheduling ES under OAR 860-038-0400 and ORS 757.649.

OPINION

Applicable Law

Applications to be certified as an electricity service supplier are filed pursuant to OAR 860-038-0400. OAR 860-038-0400(1) provides that:

An electricity service supplier (ESS) must be certified by the Commission to sell electricity services to consumers.

An applicant must declare whether it intends to offer electricity service as a scheduling or a nonscheduling electricity service supplier. OAR 860-038-0400(2) provides that:

An ESS must be certified as either a scheduling or nonscheduling ESS as prescribed in OAR 860-038-0410.

Applicant must comply with all other provisions as set forth in OAR 860-038-0400 including an attestation that Applicant will comply with all applicable laws, rules, Commission orders, and electric company tariffs.

CONCLUSIONS

Applicant has met the requirements to be certified as an electricity service supplier. The application should be granted.

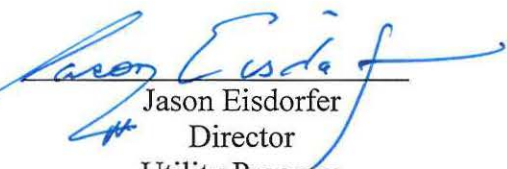

ORDER

IT IS ORDERED that:

1. The application of EDF Energy Services, LLC, certified as a scheduling electricity service supplier, is granted.
2. Applicant may provide authorized services in Oregon for a period of one year from the date of this order.
3. An ESS must submit its application for renewal 30 days prior to the expiration date of its current certificate.

Made, entered, and effective MAY 26 2016.
