OF OREGON**

UP 330

In the Matter of

PACIFICORP dba , PACIFIC POWER,

Application for Authorization to Lease Certain  
Generation Property near Glenrock, Wyoming.

ORDER

COMMISSIONER OF PUBLIC UTILITIES  
STATE OF OREGON

DISPOSITION: ORDER 15-340 AMENDED; ERROR TO STAFF REPORT  
CORRECTED

In this order we amend our previous order by replacing the name of the lessee in the Staff Report accompanying Order No. 15-340.

**I. PROCEDURAL HISTORY**

On August 7, 2015, PacifiCorp, dba Pacific Power, filed an application for an order authorizing the lease of certain generation property in Glenrock, Wyoming. The application identified the lessee as Vollman Ranches, Inc. The Commission Staff prepared a public meeting memo recommending the lease be approved with certain conditions. In the Staff memo, the lessee was identified as Wollstenhulme Farms. At the October 20, 2015 Public Meeting, the Commission approved the application and entered Order No. 15-340 to which the Staff public meeting memo was attached as an Appendix. The order itself did not mention the name of the lessee.

On June 3, 2016, Staff filed an Unopposed Motion to Amend Order No. 15-340, describing the error in the Staff report and requesting that the Commission amend its prior order.

**II. DISCUSSION**

ORS 756.568 provides that the Commission may rescind, suspend or amend any of its orders. While Order 15-340 does not specifically identify the lessee, our previous adoption of the Staff report might cause confusion at some point in the future. This problem may be avoided by amending Order 15-340 to indicate that the Staff report is amended by the deletion of the lessee name "Wollstenhulme Farms" and the insertion of "Vollman Ranches, Inc." in its place.

### III. ORDER

IT IS ORDERED that page 2 of the Staff report attached as Appendix A to Order 15-340, is amended by the deletion of the words "Wollstenhulme Farms" and the insertion of the words "Vollman Ranches, Inc." in their place.

The remainder of the order is unchanged.

Made, entered, and effective JUN 17 2016.
