REVTEK LLC,

Complainant,

v.

NORTHWEST NATURAL GAS COMPANY,

Defendant.

ORDER

DISPOSITION: COMPLAINT DISMISSED; DOCKET CLOSED

On July 28, 2015, Revtek LLC filed a complaint against NW Natural with respect to the fees charged by the company under its WARM program. The Commission stayed the complaint pending a decision in the generic WARM investigation, docket UM 1750.

On June 20, 2016, the Commission concluded its investigation into the WARM program. In Order No. 16-223, the Commission found that NW Natural had properly implemented the program during the time period relevant to this complaint.

On June 29, 2016, an administrative law judge (ALJ) notified complainant of Order No. 16-223, and directed complainant to indicate, by July 15, 2016, whether complainant intended to pursue the complaint. The ALJ added that, if complainant "fails to notify the Commission by that date, the Commission will conclude that Revtek LLC has decided to withdraw the complaint and will close this docket."

No filing was received by the Commission. Accordingly, the Commission concludes that complainant has withdrawn the complaint.

IT IS ORDERED that the complaint of Revtek LLC against Northwest Natural Gas Company is dismissed. This docket is closed.
