

ORDER NO. 16 274

ENTERED JUL 20 2016

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UCB 67

REVTEK LLC,

Complainant,

v.

NORTHWEST NATURAL GAS COMPANY,

Defendant.

ORDER

**DISPOSITION: RECONSIDERATION GRANTED; FURTHER
PROCEEDINGS TO BE HELD**

In Order No. 16-272, we dismissed a complaint filed by Revtek LLC against Northwest Natural Gas Company with respect to the fees charged by the company under its WARM program. We did so after complainant failed to timely notify the Commission whether it intended to pursue the complaint following our conclusion in another proceeding that NW Natural had properly implemented the program during the time period relevant to this complaint.

Following our order dismissing the complaint, Revtek LLC contacted our Consumer Services Division to question the order and to indicate its desire to pursue its complaint.

We treat complainant's action as a request for reconsideration. Although Revtek LLC failed to properly respond to the prior notice about whether it wanted to pursue its complaint, the complainant has now made its intention clear. Accordingly, we find that good cause exists to grant reconsideration. *See* OAR 860-001-0720.

We direct the Administrative Hearings Division to schedule further proceedings to resolve this complaint. We direct Revtek LLC to direct all future correspondence related to this complaint to the Administrative Hearings Division at puc.hearings@state.or.us or 503-378-6678.
