ORDER

**DISPOSITION: AMENDED PROPOSED BUDGET FOR ISSUE FUND  
GRANT APPROVED**

On February 29, 2016, we approved the Citizens' Utility Board of Oregon's (CUB) proposed budget in the amount of \$15,000. On July 20, 2016 CUB filed an amended proposed budget for an Issue Fund Grant in this proceeding. CUB's amended proposed budget shows eligible expenses in the amount of \$37,500; and it seeks an Issue Fund Grant in the amount of \$30,000. In support of its request, CUB states that there is good cause to support approving the amended budget because this docket presented vast and complex issues, facts, and analysis that CUB did not expect when it filed its original budget request on February 22, 2016.

The Intervenor Funding Agreement by and among Idaho Power Company and the Citizens' Utility Board of Oregon (IFA), approved by the Commission in Order No. 16-028, provides that CUB must submit a proposed issue fund budget to the Commission that contains, at a minimum, the following information:

- 1) A statement of the work to be performed;
- 2) A description of the areas to be investigated;
- 3) A description of the particular customer class(es) that will benefit from the CUB's participation;
- 4) An estimate of the amount of available funds in the Issue Fund account;
- 5) A budget showing estimated attorney, consultant and expert witness fees, which may include the cost for appropriate support staff and operations support; and
- 6) A representation that CUB will use matching funds in the form of either in-house resources or outside funding to account for or pay at least 20 percent of the eligible expenses for which CUB is seeking an Issue Fund Grant.

Once a proposed budget is received, the Commission decides whether Issue Fund Grants are available for use based on factors identified in the IFA. The Commission has the

authority to accept, deny or partially deny the request, and may place reasonable conditions on the grant.

CUB was automatically precertified to receive Issue Fund Grants under Section 5.1 of the IFA and OAR 860-001-0120(3)(a). CUB's proposed budget includes the requisite information and reflects the current schedule adopted in this docket.

In light of the issues being addressed, the complexity of the issues and the significant policy decisions to be made, the Commission believes that CUB's amended proposed budget is reasonable and should be approved.
