ENTERED SEP 29 2016

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

ES 21

In the Matter of

3 Phases Renewables Inc.

Application to be certified as an Electricity
Service Supplier.

ORDER

DISPOSITION: APPLICATION GRANTED

NOTE: By issuing this order, the Commission makes no endorsement regarding Applicant's rates or service.

INTRODUCTION

On February 6, 2015, the Commission certified 3 Phases Renewables, LLC as an electricity service supplier (ESS or ES). *See*, Order 15-038. On September 15, 2016, 3 Phases Renewables Inc. filed a material change form with the Commission asking that it be granted scheduling ESS certification. This change was requested due to 3 Phases Renewables Inc. conversion from a California limited liability company to a California corporation under California Corporations Code Sections 17710.01, 1157, and 1150.

The Commission usually serves notice of an application by electronic mail to the Commission's ES application electronic mail list. As 3 Phases Renewables LLC was previously certified as a scheduling ESS, we waived our usual notice procedures.

Based on the application and the Commission's records, the Commission makes the following:
