

ORDER NO. 16 449  
ENTERED NOV 23 2016

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

AR 605

In the Matter of  
Creating a New Division for Oregon  
Universal Service Fund (OUSF) Rules.

ORDER

DISPOSITION: RULE CHANGES ADOPTED

**I. INTRODUCTION**

We opened this rulemaking as the first step in reorganizing the Oregon Universal Service Fund (OUSF) information to create a comprehensive framework in a separate division of the administrative rules. The reorganization is intended to help telecommunications providers better understand their obligations to the OUSF and provide clarity of definitions and procedures.

**II. PROCEDURAL HISTORY**

On September 15, 2016, we filed a Notice of Proposed Rulemaking Hearing and Statement of Need and Fiscal Impact for this rulemaking with the Secretary of State, and we provided notice to all interested persons on the service lists established under OAR 860-001-0030(1)(b) and to legislators specified in ORS 183.335(1)(d). Notice of the rulemaking was published in the October 2016 *Oregon Bulletin*, setting a hearing date of October 24, 2016. The notice established a comment due date of November 3, 2016. No written comments were filed.

**III. PROPOSED RULEMAKING**

This rulemaking moves the OUSF rules currently housed in Division 032, with some minor grammatical corrections, into a new Division 100. The rulemaking also creates new rules for scope, applicability, and definitions that are similar to the scope, applicability and definitions in Division 032.

#### IV. COMMENTS

We accepted written comments through November 3, 2016. No written comments were received prior to the hearing, and no comments were received at hearing other than Staff's brief overview of the changes.

#### V. ORDER

IT IS ORDERED that:

1. The rule changes OAR 860-032-0610 through 860-032-0670, and new rules OAR 860-100-0001 through 860-100-0160 are adopted as set forth in Appendix A to this order.
2. The rule changes will be effective upon filing with the Secretary of State.

Made, entered, and effective NOV 23 2016.

##### **General Provisions**

- (1) For the purpose of these rules, each calendar year has four quarters as follows: January 1 through March 31; April 1 through June 30; July 1 through September 30; and October 1 through December 31.
- (2) For the purpose of OAR s ~~860-032-0610860-100-0100~~ through ~~860-032-0660860-100-0150~~, the quarterly revenue worksheet identified as "OPUC OUS 2" is known as the "contribution report."
- (3) A telecommunications provider may pay any amounts due to the Public Utility Commission (Commission) by electronic transfer.
- (4) The Commission may add all costs incurred in collecting a past-due "Oregon universal service" (OUS) contribution amount. In the event the Commission refers the debt to the Department of Revenue or to a collection agency, the Commission may add to the debt the anticipated amount necessary to generate a net return to the Commission of the amount of the debt.
- (5) A telecommunications provider must pay a service fee in accordance with OAR 860-001-0050 for each payment returned for non-sufficient funds.
- (6) In addition to any other penalty, obligation or remedy provided by law, the Commission may suspend or cancel the telecommunications provider's certificate of authority to provide

telecommunications service in Oregon for its failure to file its contribution report or its failure to pay its contribution amount in full.

#### **Quarterly OUS Report: Filing and Payment**

(1) For the purpose of the OUS fund, a telecommunications provider must file its contribution report with the OUS Administrator. For the first quarter (January through March) the contribution report is due on or before May 28, for the second quarter (April through June) it is due on or before August 28, for the third quarter (July through September) it is due on or before November 28, and for the fourth quarter (October through December) it is due on or before February 28 of the following year. The contribution report must include the signature of an officer of the telecommunications provider, or an officer's designee, verifying the accuracy of the information in the contribution report. In the case of the electronic filing, the required signature is an electronic signature. A telecommunications provider must send or transmit its contribution report so that it is received in the OUS Administrator's offices no later than 5 p.m. on the date it is due.

(2) A telecommunications provider must file the contribution report for each quarter with no exceptions, including when the contribution amount shown on the report is \$0.00.

(3) The amount shown on the contribution report referenced in section (1) of this rule is due and payable by the telecommunications provider on or before the following days: February 28, May 28, August 28, and November 28. A telecommunications provider must send payment (electronically or by mail) so that it is received in the Commission's offices by no later than 5 p.m. on the date it is due.

(4) If the telecommunications provider's contribution amount for a quarter is less than a minimum of \$10 (i.e., \$9.99 or less), the telecommunications provider is not required to pay the contribution amount for that quarter but it must still file its contribution report. If the telecommunications provider has outstanding amounts owing for contributions, late statement fees, late payment penalties, and interest totaling more than the \$10 minimum amount, this section does not apply and the total amount is due and payable.

(5) If a telecommunications provider fails to file a contribution report as required by these rules, the Commission shall impose a late report fee of \$100.

(6) If a telecommunications provider files a contribution report but fails to pay the contribution amount in full on or before the day it is due, the Commission shall add a late

payment fee equal to nine percent (9%) of the unpaid amount of the contribution, up to a maximum of \$500.

(7) If a telecommunications provider fails to pay the contribution amount in full on or before the day it is due, the Commission shall add interest on the unpaid contribution amount at the rate of nine percent per annum from the day payment was due until paid.

(8) If the amount shown due on a contribution report is not paid on the due date, the Commission may issue a written notice of proposed assessment or proposed order to set the sum due. The Commission may waive the late report fee, the late payment fee, the interest on the unpaid contribution amount, or any combination thereof, if the provider requests the waiver and provides evidence showing that the provider paid its contribution amount late due to circumstances beyond its control.

(9) A telecommunications provider must submit revisions to a previously-filed contribution report no later than three years from its due date. If making the refunds arising from one or more Commission-verified revised contribution reports received from the telecommunications provider would have a material financial impact on the OUS fund, the OUSF Board may enter into an agreement with the telecommunications provider to spread payment of the refunds over a time period not to exceed three years.

(2) The proposed assessment shall include a late payment fee equal to 9 percent of the proposed assessment amount, up to a maximum of \$500 for that quarter.

(3) Each proposed assessment shall bear interest on the amount proposed at the rate of 9 percent per annum from the day the contribution amount was originally due.

(5) Notwithstanding section (4) of this rule, if the telecommunications provider did not hold a certificate of authority, the Commission shall have an unlimited time to propose an assessment for the time period represented by the non-filed contribution report. The proposed assessment shall include all late payment fees and interest as specified in this rule.

(6) Prior to the expiration of the period allowed for filing a petition for a hearing, the telecommunications provider may file its contribution report.
