**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

CP 1091

In the Matter of the Cancellation of the
Certificate of Authority Held by TELECOM
NORTH AMERICA, INC.

ORDER

DISPOSITION: CERTIFICATE OF AUTHORITY CANCELED

On September 4, 2002, Telecom North America, Inc. was granted a certificate of authority to provide telecommunications service in Oregon as a competitive provider. See Order No. 02-610.

In a letter dated November 21, 2016, Gregory Gundelfinger, President/CEO of Telecom North America, Inc., requested the Commission cancel the company's certificate of authority to provide telecommunications service in Oregon as it has no Oregon customers and is closing effective December 31, 2016. The company is reminded that because it had a certificate of authority for one or more days in 2016, it is required to file a revenue statement and pay a minimum of \$100 for that year.

In view of the foregoing, the certificate of authority to provide telecommunications service in Oregon held by Telecom North America, Inc. should be canceled.

IT IS ORDERED that the certificate of authority held by Telecom North America, Inc. is canceled.

Made, entered, and effective DEC 08 2016.
