In the Matter of

CALPINE ENERGY SOLUTIONS, LLC

Application to be certified as an Electricity
Service Supplier.

ORDER

DISPOSITION: APPLICATION GRANTED

NOTE: By issuing this order, the Commission makes no endorsement regarding Applicant's rates or service.

INTRODUCTION

On November 17, 2010, the Commission certified Noble Americas Energy Solutions LLC as an electricity service supplier (ESS or ES). *See*, Order 10-453. On December 7, 2016, Calpine Energy Solutions, LLC filed a material change form with the Commission asking that it be granted scheduling ESS certification. This change was requested due to Calpine Energy Solutions, LLC agreement to acquire Noble Americas Energy Solutions LLC.

The Commission usually serves notice of an application by electronic mail to the Commission's ES application electronic mail list. As Noble Americas Energy Solutions LLC was previously certified as a scheduling ESS, we waived our usual notice procedures.

Based on the application and the Commission's records, the Commission makes the following findings of fact, applications of law, and conclusion.

FINDINGS OF FACT

The Applicant, Calpine Energy Solutions, LLC is a California company. Applicant intends to provide electricity service to nonresidential retail consumers in Oregon. Applicant seeks certification as a scheduling ES under OAR 860-038-0400 and ORS 757.649.

Applicant must comply with all other provisions as set forth in OAR 860-038-0400 including an attestation that Applicant will comply with all applicable laws, rules, Commission orders, and electric company tariffs.
