(Docket No. UM 1020) Errata Filing: Updated Portfolio Options Committee
Member Appointments.

STAFF RECOMMENDATION:

Commission approve this errata filing updating the Portfolio Options Committee (POC) member appointments.

DISCUSSION:

Issue

Whether to approve this errata filing that updates the POC member appointments for 2017.

Applicable Rule

OAR 860-038-0005(2) specifies that the POC consist of a group appointed by the Commission that includes representatives of Commission staff, Oregon Department of Energy, electric companies, residential and small nonresidential customers, local governments, and public or regional interest groups.

Analysis

At the December 6, 2016 public meeting Staff presented its memo regarding POC membership and goals for 2017 to the Commission. The list did not include all POC members and misspelled the name of one of the POC members. This errata filing is
