Complainant,

v.

CTL CONSTRUCTION, INC.,

Defendant.

ORDER

DISPOSITION: STIPULATION ADOPTED

On July 27, 2017, the Public Utility Commission of Oregon filed a complaint against defendant. The complaint charged defendant with one violation of law, OAR 952-001-0050, and requested a penalty of \$1,000. On July 27, 2017, a copy of the complaint was served.

On July 31, 2017, the parties in these proceedings entered into a stipulation, which is attached as Appendix A.

Under the terms of the stipulation, defendant admits committing the alleged violation and agrees that the Commission may enter an order assessing civil monetary penalties. Defendant also agrees to complete, within 45 days following the entry of a final order, a training session with the Oregon Utility Notification Center Speakers Bureau on Oregon excavation laws and with Cascade Natural Gas on operator safety.

The parties further agree that the penalties should be suspended, unless defendant fails to comply with any provision of the stipulation or violates any rule adopted by the Oregon Utility Notification Center under ORS 757.552 for a period of one year following the date of the Commission's final order in these proceedings.

The stipulation is adopted. From the foregoing, it is concluded that no hearing is required. Under the terms of the stipulation, the allegations of the complaint are true, and defendant has violated Oregon Administrative Rule as alleged. Under the provisions of

ORS 757.993, penalties should be assessed against defendant under the terms and conditions of the stipulation.

ORDER

IT IS ORDERED that:

2. Civil monetary penalties shall be assessed against CTL CONSTRUCTION, INC., in the amount of \$1,000 for one violation of law.

6 served upon (mailed to) Defendant.
- 7 B. Payment of the penalty (\$1,000) is suspended and the penalty shall be waived with no
8 further penalties imposed for the violation alleged in the Complaint unless Defendant
9 fails to comply with all of the terms of this Stipulation and all of the rules adopted by
10 the Oregon Utility Notification Center (OUNC) under ORS 757.552 for a one-year
11 period following the date of the Commission's entry of an order.
- 12 C. Defendant must contact the OUNC Speakers Bureau online at
13 www.digsafelyoregon.com or by calling (503) 232-1987 to arrange for and ensure
14 that all of Defendant's employees that engage in excavation activity as part of their
15 job duties, including but not limited to notifying the Oregon Utility Notification
16 Center of proposed excavations, attend a training session on Oregon excavation laws
17 within 45 days following the entry of the Commission's order.

12 occurred.

13 G. Complainant's failure to enforce any provision of this Stipulation, or decision to
14 waive any violation or nonperformance of this Stipulation in one instance, will not
15 constitute a waiver by the Complainant of that provision, any other provision, or any

17 5.

18 This Stipulation is conditioned upon final approval of its terms by the Commission. If
19 the Stipulation is not accepted in its entirety, it is deemed withdrawn.
