CORPORATION,

ERRATA
ORDER

DISPOSITION: ORDER NO. 17-306 CORRECTED

At our August 8, 2017 Public Meeting, we adopted Staff's recommendation to approve Cascade Natural Gas Corporation's request to defer expenses associated with the Manufactured Gas Plant (MGP) in Eugene, Oregon, for a period of 12 months. Staff's recommendation, however, incorrectly stated the period of deferral would commence December 1, 2017, rather than December 1, 2016.

Accordingly, we correct Staff's Report, attached to Order No. 17-306 memorializing our decision at the Public Meeting, to correct all references to the commencement of the deferral to December 1, 2016. The rest of the order remains unchanged.

Made, entered, and effective on **AUG 18 2017**.
